

Career Transition Opportunities Short List

1. Refer to your completed “What Do I Want?” guided question chart for criteria to use.
2. This will be your criteria for vetting the career opportunities that end up on your short list.
3. Identify and determine which career(s) meet your criteria.
4. List the career(s) that meet your criteria on **your short list**.

My Career Transition Opportunities Short List

5. Write down the careers that you have identified from the vetting process.

1.
2.
3.
4.
5.
6.

(Note: it is okay if your list is less than or more than 6) 😊

6. Use this list to target your search.

7. Engage your network. Communicate to them the career opportunities you are looking for. Your network is your additional eyes and ears.
